

# Crawley SC Open Meets: Poolside Accreditation

To comply with Swim England Laws and Technical rules and in accordance with Wavepower, all visiting clubs must ensure that team managers, coaches and chaperones have an Enhanced DBS with barred list check, are safeguard trained and comply with the Swim England Child Protection Policy.

To support this Crawley SC will only allow Team Managers/Coaches/Chaperones poolside if they are able to present an in-date event accreditation pass. No pass, no admission poolside.

To acquire an event accreditation pass you must do two things.

1. The visiting club entries co-ordinator must inform the meet promoter how many poolside passes they wish to purchase. This is done on the Club Summary Sheet.
2. Each Team Manager/Coach/Chaperone must then Logon to 'Swim England Member Options' using the link below

[https://www.swimmingresults.org/member\\_options/index.php](https://www.swimmingresults.org/member_options/index.php)

Once logged on they should click on 'Purchase accreditation for events'
